We will plan for a 30-minute listening session for any Iowan that would like to provide input or recommendations to the full board.		
9:37 a.m.	Board Member Roundtable	ERAB Board Members
We will ask each of the 15 board members to highlight a top proposal or recommendation, across all the working groups, that has been identified through our work to date. After each board member presents, we will allow some time for additional responses and discussion from the other board members on that topic. While each working group will likely present multiple final recommendations, this dialog is aimed to allow for a continued focus on the bold ideas that Iowa must implement to improve the state for all Iowans.
